

Crawford Livestock Market

Market report for Friday, June 21st. Cow market was steady and strong from a week ago. Better cows were \$150-\$158, next cut were \$141-\$149. Lower yielding cows were \$133-\$140. Big slaughter bulls were \$156-\$162.50. Lower yielding bulls were \$150-\$159. Good cutting bulls were \$183-\$210.

The feeder cattle market was HOT and our results on some top quality cattle were higher than expected a reflection of tremendous demand in the industry on tight supplies with a lot of bidding in the seats and on the phone.

Thanks for selling the auction way at Crawford Livestock, TRUE PRICE DISCOVERY.

Name	Qty	Desc	AvgWT	Bid
