

Crawford Livestock Market

Market report for Friday, August 2, 2024. We had a light run this week selling 180 head total, with a light run on cows and the balance being bulls and pregged open heifers & feeder steers. A very limited test on feeding cows this week \$160-\$170. Slaughter cows were quite a bit higher with the front end at \$140-\$153.50. Best end of the bulls were \$173-\$180 and lower yielding bulls were \$160-\$170. Gimpy bulls were \$127-\$169.50. A very small sample of cutting bulls came in at \$170-\$212.
